

Web Project Bingo

grundyhome.com

Required support of ancient browsers	User testing too late to make changes	Surprise deadline shortens schedule	I don't like that color	Changes requested based on competitors
Design by committee	I don't like that font	Design change at 11th hour	It just doesn't feel right	Client provided their own mockup
Skipped straight to design	Rename navigation	Launch website!	Merge two design concepts	Scrap everything, start over
Mockups are 100% Lorem Ipsum	Client contact changes mid-project	Scope change	Skip research	One year past original schedule!
Change audience mid-project	Surprise vacation delays project	Lack of content	Exceed budget	Poor photos provided

Rules

Pick a project, any project. Each team member gets a card (reload to refresh the card). As the project goes on, mark off each box as it applies. The first team member to get five across, up, or in a diagonal wins. Sorry, there are no free spaces in Web Project Bingo. The middle is reserved for sites that launch.
